III. REGIONAL RESOURCES

[Riverside Community Care \(RCC\)](#)

*A community-based non-profit organization serving more than 40,000 people a year in Massachusetts, Riverside is a leading provider of mental health care, developmental and brain injury services, addiction treatment, suicide education, trauma response, and more. **NC-8 is a proud partner with Riverside. Uninsured residents can receive FREE recovery support (in-person and/or via telehealth) from RCC (starting April 2025). Visit the NC-8 homepage and scroll to the Community Partnerships Highlight section to download the NC-8 x RCC Referral Form and learn more about the partnership. Additional details are included in the downloadable flyer.***

IV. TOWN SPECIFIC RESOURCES

Canton

[Canton Overdose END Program](#)

The Canton Overdose Education and Naloxone Distribution (Overdose END) program provides resources and services to the Canton Community. Currently, the Overdose END program includes the free Narcan distribution sites, CPR/Narcan training by the public health nurses, and now a FREE recovery coach program through Riverside Community Care. Please click on the following link to view Canton [[Narcan Distribution Locations](#)].

[Canton Alliance Against Substance Abuse \(CAASA\)](#)

Mission: To reduce the use of drugs and alcohol throughout the community, with the primary focus on youth, by encouraging health decision making and providing resources that address prevention, intervention, treatment, and recovery throughout the lifespan. Click [[here](#)] for additional substance abuse resources.

Dedham

[CareCab](#)

A transportation services program established for Dedham residents to access vital mental health and recovery services, hassle-free.

[Narcan Training. Kits. Fentanyl Test Strips](#)

Available by appointment only with Dedham's Public Health Nurse. Please visit [[this link](#)] to schedule a training session. The required training takes about 15 minutes and is provided free of charge. Narcan is provided for free if participants are interested in having their own kit after completing the training.

[Dedham Organization for Substance Awareness \(DOSA\)](#)

Mission: To reduce community substance use by increasing community collaboration and by utilizing evidence-based prevention strategies.

Milton

[Opioid Settlement Funds Information](#)

Click on the link above to access general information regarding Milton's opioid settlement funds. Share your perspectives on the impacts of Opioid Use Disorder and how Milton is responding to the Opioid Epidemic through [[this survey](#)]. Your feedback will help shape how settlement funds are used to support Milton's community.

[Community Health Assessment \(CHA\)](#)

Take a look at Milton's Community Health Assessment and scroll to page 46 for data and findings related to Behavioral Health, including Substance Use Disorders and Mental Health.

[Health Department Referral Resources](#)

Visit this page on Milton's Health Department website for resources on substance use treatment and referrals, medication and sharps disposal locations, support for individuals experiencing homelessness, and mental health counseling services.
